

## Product specs for Dranetz- BMI 626-PA-6008

### Product Description:

Dranetz-BMI 626-PA-6008 Temperature and Humidity Module

1 temp Ch, 1 humid Ch  
+/- 1 deg C acc  
Cbl temp: 105 deg C max  
Temp Range: 0-100 deg C  
Humid Sens: 1-20% RH

### Performance Characteristics of the 626-PA-6008

Form Factor	Module (proprietary interface/bus)
Harmonics Measurement	No
Transients Analysis	No
Sags & Swells Analysis	No
Inrush current and timing analysis	No

### Programmability/Connectivity of the 626-PA-6008

User Interface	Proprietary
----------------	-------------

### 626-PA-6008 Compliance

CE Compliance	Not on file
UL Compliance	Compliant

### 626-PA-6008 Power Requirements

Input Power	Not required
-------------	--------------

### 626-PA-6008 Standard Accessories

111059 /Temperature Probe /Qty:1  
111061 /Humidity Probe /Qty:1
